FOOD

BREAD BY DIMITRI

Based on years of experience, the bakers of Vlaamsch Broodhuys have raised baking to an art form. They use only the best ingredients as they indulge their culinary passions. Dimitri Roels and his bakers have been baking nutritious and tasty sourdough bread since 1996. And they have built up an impressive following, because once you smell and taste their fantastic bread, there's really no going back. Good bread brings people together, and is a staple of the Dutch culinary experience.
